

Date: _____

I. Site Information

Site ID# _____ Watershed: _____ Location: _____

II. Assessment Information

- Which assessment tool was used? (Check one)
Creek-RWQCB Version 7.0 Non-Creek-Windshield Survey
Non-Creek-KAB Litter Index Other _____
- Total Score (RWQCB Version 7.0 or KAB Litter Index)
- Windshield Survey Results-Trash Priority: NA High Medium Low
- What percentage or length of the area is impacted with trash (e.g. 5%, five feet, etc.)? _____
- This assessment is Initial Follow-up (Check one)
- If applicable, how many follow-up assessments have been conducted at this site? _____

III. Trash Information

- Describe trash type (Check five most prevalent types):
Rubber products Metal products Construction debris
Plastic bags Cigarette butts Fabric and cloth
Styrofoam products Plastic/Synthetic items Toxic substances
Aluminum cans Tires Appliances
Bottles (plastic and glass) Woody debris Furniture
Convenience/Fast Food wrappers Yard waste Biohazards
Man-made wood products Batteries Other _____
- Potential trash source (Check all that apply):
Trash accumulation (water-borne) Homeless encampments Outfall _____
Trash accumulation (wind-borne) Illegal dumping Other _____
Litter-Vehicular Litter-Dumpster/Receptacle (describe) _____
Litter-Commercial business (name) _____
Litter-School/Institution (name) _____
Litter-Other (describe) _____
- Was trash observed near (Check one): Storm drain inlets Storm drain outfalls Creek
- Identify adjacent land uses to the trash areas assessed (if possible): _____

IV. Trash Management Actions

- Are trash management actions planned for the site? Yes No
- If trash was removed, provide total weight or volume (if known): _____
- Photographic documentation: Yes No
- Other Trash Management Actions Taken (describe): _____
- Follow-up action needed: Yes No
- Future trash management actions needed (Please describe): _____
- Is trash routinely removed from this site? Yes No If yes, at what frequency _____
- Is a future assessment needed? Yes No
- If Yes, which tool? Creek-RWQCB Version 7.0 Non-Creek-Windshield Survey
Non-Creek-KAB Litter Index Other _____

Notes: _____
